Hands-On Lab Policy. By registering for a Hands-On Lab, Registrant acknowledges and agrees that some labs involve working with live animals, cadavers, specimens, equipment and other unique learning materials which may expose the registrant to a risk of injury or disease in the same manner as a veterinary professional would be exposed to these risks in carrying out the same or similar procedures in a clinical setting. The registrant, by registering for these Hands-On Labs and completing this registration form, agrees to assume this risk and hereby waives and releases the OVMA and any faculty or other participants from any and all damage or injury arising out of or related to participation in the Hands-On Labs.

Consent to be Photographed. Registration for the Midwest Veterinary Conference and attendance at any events, educational sessions and/or wet labs held in conjunction with the MVC constitutes an agreement by the registrant to OVMA's use and distribution of his/her image or voice in photographs, videotapes, electronic reproductions and audiotapes of such events and activities.

Privacy Disclosure. The OVMA will not release your contact information to non-exhibiting companies. Please be aware that the contact information you provide will be encoded into your attendee badge and may be obtained by Exhibitors.
