RECORD OF CE

Use the chart below to keep track of the live sessions and/or labs you attend at the 2025 MVC. Each individual is responsible for the accuracy of their record.

Every hour of participation in MVC sessions and labs is worth one CE hour. A maximum of 20 hours* can be earned at the live MVC.

If you are also attending the Virtual MVC, the sessions you watch will automatically be recorded on your transcript.

Virtual Conference

MARCH 4 TO AUG. 31, 2025

The Virtual MVC (VMVC) is the all-online, on-demand portion of the conference that allows you to earn CE at your own pace, from the comfort of your home—or anywhere you have an internet connection!

TRACKS BEING RECORDED

Due to logistical reasons, not all programming presented on site will be available during the Virtual MVC. The following tracks (also highlighted in yellow on the session grids), totaling 96 hours of sessions, are being recorded:

(T) = Thursday

(F) = Friday

(S) = Saturday

Animal Behavior	Sessions 306–311 (F) and 400–405 (S)
Equine	Sessions 115–120 (T)
Food Animal	Sessions 121–126 (T)
Holistic & Integrative Medicine	Sessions 127–132 (T)
Pet Animal – Canine Spectrum of Care	Sessions 330–335 (F)
Pet Animal – Dentistry	Sessions 436–441 (S)
Pet Animal – Dermatology	Sessions 133–138 (T)
Pet Animal – Exotics	Sessions 145–147 (T) and 336–338 (F)
Pet Animal – Gastroenterology	Sessions 442–447 (S)
Pet Animal – Pharmacology	Sessions 148–150 (T) and 351–353 (F)
Practice Management	Sessions 163–168 (T) and 360–365 (F)
Technician	Sessions 193–198 (T), 384–389 (F) and 478–483 (S)

CE CREDITS

- The amount of CE you may earn by participating in the Virtual MVC varies by state. In Ohio:
 - Technicians may claim up to 6 online hours for their 2025 renewal. Please note, the VMVC does not go live until after the renewal deadline of March 1.
 - Veterinarians may claim up to 18 hours for their 2026 renewal.
- The VMVC website will track which sessions you watch and automatically add them to your transcript. If any sessions you watch are not recorded, please email us a list to have them manually added.
- **Do not** share your login information with anyone else, as the sessions they watch will alter your CE record. Doing so is also a violation of the MVC terms and conditions.

WATCHING SESSION VIDEOS

- Access instructions will be posted online at www.mvcinfo.org/virtual and emailed to VMVC registrants by March 3.
- Session recordings will go live on Tuesday, March 4. Be advised, there may be some recordings that are still in production, so you may not see all sessions immediately.
- Please ensure your equipment meets these requirements:
 - Desktop:
 - Latest version of Google Chrome or Microsoft Edge is recommended.
 - An 8 Mbps internet connection is recommended.
 - Mobile:
 - Latest version of iOS or Android 8.0 or higher is recommended.
 - A stable 8 Mbps internet connection is recommended. Session recordings will be available for on-demand viewing for six months, until Aug. 31, 2025.
- If you encounter any technical difficulties, please refer to the FAQs mvcinfo.org/virtual for troubleshooting.

HOW TO UPGRADE YOUR IN-PERSON REGISTRATION

- If you aren't already registered for the VMVC, visit the Registration desk on site to purchase access.
- The cost is \$125 for veterinarians and \$75 for non-veterinarians.
- After the MVC, you can add on virtual access at any time by emailing us at info@mvcinfo.org.
- Registration will remain open through the end of the VMVC.
- Regardless of when you register, access to the VMVC will end on Aug. 31 at 11:59 p.m. ET.

A Brighter Future FOR ANIMALS

Does your organization share our vision of a brighter future for animals?
Are you planning a project that will promote animal health and welfare?

If so, we invite you to apply for a grant.

OAHF provides funding to eligible organizations that:

-  conduct scientific research
-  offer community support
-  provide education to animal care professionals

To qualify for funding, initiatives should focus on:

-  promoting animal health and welfare
-  fostering the human-animal bond
-  improving the lives of animals and the humans that care for them
